SAINT GEORGE
CLASSICAL ACADEMY

Date: September 30, 2026
Job Position: Modern Greek Teacher; part-time
Contact: Head of School, Juliana Joyce, juliana.joyce@stgca.org

At Saint George Classical Academy we believe that the teacher is the curriculum. Children learn through imitation and we strive to hire teachers who are true examples of faith, wisdom and virtue. Saint George is a classical school, grounded in the Orthodox Christian faith. Our grammar school program is influenced by a Charlotte Mason approach, emphasizing the formation of habits and virtue, inquiry and beauty.

We are looking for an educator seeking a new part-time home where they can unite their faith with their teaching to make a positive impact in the lives of our students and their families. We are seeking someone not just for their experience, but someone who is humbly committed to introducing young children to the beauty of the Greek language, growing in their practice, and journeying with colleagues toward deepening our understanding of what it means to be fully human.

The ideal candidate will have:

- A strong commitment to our school's mission and to practicing the Christian faith
- A Master's Degree in education or related field preferred, an understanding of child development, and a love for children and learning
- Fluency in modern or classical Greek, with a strong background in early childhood language instruction and oral storytelling
- A desire to seek meaning in all things
- A love of Greek beauty, culture, song, and traditions to share with young learners
- An enthusiasm for classical education or interest in learning more about the classical mode of teaching
- A commitment to personal growth and participating in professional development within the school community and beyond
- A positive outlook, good sense of humor and willingness to work hard to build an engaging Greek language program

Please send a cover letter, resume, and two letters of recommendation to Juliana Joyce, Head of School at juliana.joyce@stgca.org.

Compensation is competitive and commensurate with experience and qualifications.
